

Dear Hiring Manager,

It is my pleasure to recommend Valentin Savevski for any position at your company, be it receptionist or managing position. I have had the pleasure of working with Valentin as his General Manager/Director during the duration of his employee at Hotel Best Western. He knows and understands the roles of virtually all positions in the hospitality.

Valentin displays an understanding of all company policies and procedures and doesn't need to be reminded of any procedures or policies pertaining to sick leaves, overtime, contracts and so on. He always handles himself and each situation professionally and has proven himself time and time again to be able to think on his feet and offer quick solutions for immediate problems.

Valentin understands the job and duties of each employee of the hospitality hierarchy, and that is what makes him excellent. He is also very detail-oriented and can aptly manage overseeing each employee's performance, maintaining orderly files pertaining to each. He is also a source of motivation to his colleagues because of his positivity and dedication.

Providing them with advancement options and tips, Valentin would be an asset to any team he is assigned to.

Sincerely,

Jelena Pavlovska

Recommendation Letter

This recommendation letter is my personal recommendation for **Valentin Savevski**, who used to work for me as Front Office Manager. I was his General Manager.

I found him to be consistently pleasant, tackling all assignments with dedication and a smile. His charismatic personality always helped him convince and handle the clients easily.

Besides being a joy to work with, Valentin is a take charge person who is able to present creative ideas and communicate the benefits. When there is a problem, he priorities finding solution immediately, instead of wasting time on not so important things. In bad situations, he is very good at choosing what the top priority is, and adapts quickly.

There is so much to write but to keep this short, him being the leader and the team player he is, it would make him great asset to any organization or team. I highly recommend **Valentin Savevski** for employment for any staff or managing position in the hospitality field.

Sincerely,

Aleksandar Panev
